

Strategic Mission Partners Prayer Letter

Dear Praying Friends,

THANK YOU for praying for our mission trip to Piura, Peru because of and through your prayers, the Lord greatly blessed our mission ministry in Peru. Our surgical team which was led by Dr. Keith Brown and Dr. Courtney Garrett successfully performed surgery on 19 Peruvian people. Our primary care team saw over 750 patients in the villages and the towns surrounding Piura, Peru. Through the medical venues and the preaching and teaching ministries, there were over 800 decisions for Christ recorded. Your prayers were vital part of every life that was touched and transformed by the power of the Gospel in Peru. To God be the glory for what He did through our team of 15 and the team of nationals from the First Baptist Church Piura led by Pastor Raul Lopez and IMB missionary Lisa Taylor. A special word of thanks & praise for all the hard work of preparation done by Lisa Taylor, Juan & Alisha Baron. Please pray for the decisions for Christ as Pastor Raul Lopez and his church follow up on every new believer helping them to grow and develop through these new churches in Peru.

Upcoming Mission Projects

- **ANCHORAGE, ALASKA** - June 6 - 14. Our SMP mission team of 8 is being led by Linda Lummus and Gerry Barlik. Linda and Gerry have been faithful team leaders and consultants for SMP for the last 8 years. This team will be working with and through the Muldoon Rd. Baptist Church in Anchorage. Pray for them as they seek to witness and minister to Alaskans who need the Lord. Alaska can be a very cold place to live and serve. Pray that cold hearts will be warmed and open to the loving witness of the Gospel through our SMP Mission team led by Linda And Gerry.
- **HONG KONG** - July 1 - 13 Final preparation plans are underway as I plan to go to Hong Kong to witness and preach the Gospel with Dr. Dub Jackson, Oliver & Betty Cage, Richard & Ginger Hamlet, Larry Walker, myself and a total number of 55 on this great mission team of witnesses to Hong Kong. Pray that the churches, Pastors and leaders will effectively pray and prepare to receive this evangelistic team in July. On a special note **PLEASE PRAY for Dr. Jimmy & Carol Ann Draper** who had planned to go with us to Hong Kong. Dr. Draper was hospitalized in Baylor Medical Center in Grapevine, TX this past week. He has been in ICU with a form of meningitis. Please ask the Lord to heal Brother Jimmy and give him a speedy recovery. Brother Jimmy and Carol Ann have been dear friends and mentors for Karen and myself for over 30 years. Ask the Lord to be bold & effective witnesses for Christ in Hong Kong in July, 2009.
- **ZAMBIA** - September 2 - 16, 2009 We are presently intensively enlisting our team for the September leadership and discipleship conference in Lusaka, Zambia. Ask the Lord to raise up the team of volunteer laborers to go with us to help lead this great conference and to help strengthen the Pastors, leaders and churches in Zambia. We must purchase our plane tickets by July 1st. Ask the Lord to provide not only the team, but also the money and resources for our team to serve the great people of Zambia. Pray that all of the many logistical details will come together soon for this mission project to Lusaka, Zambia for September, 2009 to be fulfilled.

CALL FOR DETAILS**

"THE BOOK"

I have set aside the months of June & August, 2009 to write my book on prayer. Please ask the Lord to keep me focused in the writing of these chapters for this book. Even though I have not written the book yet, I taught these lessons and chapters to the leaders of the First Baptist Church, Piura this past month. Ask the Lord to give me His wisdom to select His publisher and to provide the money to pay for the printing, publishing and the marketing of this book on a prayer strategy to help the leaders and plateaued/declining churches in our world. It is our goal to have the manuscript completed by Sept. 2009 and the book printed & published by January, 2010. Please pray with me that the Lord will receive great glory through this book as it is used to help the Pastors, leaders & churches around the world, to be greatly strengthened through prayer.

Your love, prayers and support is greatly needed and appreciated. We love you all. God bless your greatly.

**Prayerfully & sincerely,
Danny & Karen Souder**
