Acts 1:8

November 2007

Central Asia—October 15th to 25th, 2007

This trip was our 7th and last mission trip for 2007. The Lord blessed our team as we planted seeds of the Gospel to people in Central Asia who were open and receptive to our WITNESS for Christ in this country that is 99% Muslim. Pray that the seeds of the Gospel will bear fruit in the days ahead. Pray also for our missionary leader Kevin who broke his leg and had to have surgery in order to have a plate and 10 pins inserted.

We have been invited to return to Central Asia on October 5-15, 2008 in order to fulfill the missionary strategies. **Will you please pray now about joining us and participating in penetrating the darkness with the Gospel light?** Thank you.

2008 Projects and Partners

The Lord has greatly opened the door for us to preach the Gospel and share Christ with significant strategic projects for 2008. Pray with us that the Lord would enable us to make a great impact with these exciting strategic projects in the following locations:

- NAMB Projects: San Diego CA, Baltimore MD, New York City NY and Baker City OR
- IMB Projects: Nagaland, India; Lusaka & Livingstone, Zambia; Piura, Peru and Central Asia

Please pray with us that the Lord would raise up laborers, partners and volunteers to fulfill these mission projects. You may be the answer to this prayer request. Please pray about encouraging friends, family members, churches and associations to join us in these projects for 2008 to fulfill the Great Commission. Thank you.

Financial Support

The Lord has greatly blessed our ministry with strategic project opportunities. These wonderful mission projects need strong financial support. Please pray now for us that the Lord would provide the financial support needed for these projects. Please also pray and ask the Lord to provide and meet the financial needs for these projects. The Lord says: *We have not, because we ask not.* Will you please join with us and ASK the Lord to provide \$150,000 for these 2008 mission projects? Thank you for praying!

These breathtaking pictures are courtesy of Jerry Latham. Thank you!

Thank you for praying!

2007 has been our greatest year in seeing answers to our prayer requests for Strategic Mission Partners projects. Your praying is making a great difference. God bless you all. We love you. May we pray for you as well? Let us hear from you now in response to this email. God bless you.
