October 2007

Central Asia Mission Trip October 15th to 25th, 2007

Please PRAY now for our team as we go and serve in Central Asia. This country is 99% Muslim—that is over 70 million Muslims with only 3,000 believers in the entire country. We will be visiting and traveling to a RESTRICTED ACCESS COUNTRY. This country does not issue missionary or religious worker visas. We will be living out and sharing our faith with the people that we meet in this dark country. As it has been said by some of the workers in this country, "it is the lostest of the lost and the darkest of the dark." Yet the Lord has called us to penetrate the darkness with the light of the Gospel of Jesus Christ. **PLEASE PRAY NOW:** *We desperately need your prayers that the Lord will enable us to be wise and effective witnesses for Christ as we travel to this dark country. PRAY that we might be of encouragement to the workers in this country as well.*

2007 Mission Trips Summary

This is our last mission trip project for 2007. It has been our greatest year as we have planted, strengthened and encouraged 6 churches in 6 projects and many missionary leaders. The Lord has led us to strategic countries, churches, associations, mission leaders, pastors and partners. Through your prayer support the Lord is enabling us to make strategic impacts and connections with the Gospel of Jesus Christ. Praise the Lord!

Baker City, Oregon - September 24-30, 2007

Scott & Judy Knox,
Pastor - Blue
Mountain Baptist
Church

Thanks to your prayers, the Lord greatly enabled us to assist this new church launch its first worship service. There were 36 present in this first worship service with 9 first time prospects in attendance. This is a town of 25,000 where 90% of the people are lost and do not attend any church. I believe the Lord is going to use and bless Scott and Judy Knox to build a great church for His glory and impact Oregon and the world with the Gospel.

Letter From Mike Smith:

Dear Friends:

Danny Souder is being used of God in a tremendous way to mobilize people for missions. I have traveled with Danny on two very successful mission trips and plan to go on a third in July. He does an excellent job of preparation and arrangements.

As a friend of Danny, I am asking you to consider traveling with him on a mission trip in 2008. If you personally cannot go, then help Danny by enlisting others to go. This is Kingdom work and Danny is worthy of our prayers and support.

To God Be the Glory,

*Mike Smith, Ed.D.
