

Strategic Mission Partners

Acts 1:8

Prayer Team Reminder

Dear Praying Friends

This is a "reminder" and *urgent request* for you to please focus now on praying for our Strategic Mission Partners mission team and myself as we are now in *Baker City, Oregon* to assist **Scott and Judy Knox** in planting their new church, the *Blue Mountain Baptist Church*. This will be the only Southern Baptist Church in a city and area of over 25,000 people. Our team of 6 from First Baptist Church, Keller TX will be prayer walking, witnessing, evangelizing, making disciples and developing leaders, and connecting people to this brand new church plant. **NOTHING** will happen this week unless **you pray with us and for us** that the Lord will guide us, direct us, bless us and lead us to His people, His plans and His agenda for our team, for Scott and Judy Knox and for myself as we lead this team during the week of September 24th through 30th, 2007.

Will you please stop now and pray for us?

1. Please ask the Lord to empower us to be **bold witnesses** as we share Jesus with the lost in Baker City.
2. Please ask the Lord to lead us to "People of Peace" who will be come **leaders** in this church in order to **make disciples** and multiply the witness of Scott and Judy in Oregon, and to the *uttermost*. Acts 1:8
3. Please ask the Lord to provide **a place, a building** for worship, for witness and for recreation in Baker City for this church.

Thank you for praying. Please send me an email confirmation that you prayed for us this week, after you have prayed.

James 5:16 *The fervent effectual prayers of a righteous man availeth much.*

God bless you!

Prayerfully,
